

MIRAGE *G4*

G4

ANYTHING

ARRIVE WITH ATTITUDE

When you want to make the most out of your life, you can't let anything hold you back. So you need a car that doesn't compromise.

This one looks as good as it performs. It gives you the room you need to grow and the fuel economy to help you keep going. It also provides comfort, safety, and ease as you push boundaries.

With the Mirage G4, you can be g for anything.

G4

STYLE

Advanced Dynamic Shield Front Fascia

New Headlamp and Fog Lamp Design (GLS)

Sporty 15" Alloy Wheels

G4 STYLE

The dynamic new look of the Mirage G4 makes a statement. Its clean lines, keen angles, and subtle curves are hard to miss.

Even the smaller details have been refined to be just as easy on the eyes. Get ready to turn heads with every drive.

Stylish Rear Combination Lights Design

New Rear Bumper Design

G4 PERFORMANCE

You've got places to be, so the new Mirage G4 makes your every drive worth it—from helping you save on fuel costs to ensuring a smooth ride through every twist and turn.

EASY ON FUEL CONSUMPTION | EASY HANDLING

G4 EXPERIENCE

Every little thing counts when going on a drive.

That's why the new Mirage G4 has features to delight your eyes and ears by keeping you connected to your phone and what's happening on the road.

HIGH CONTRAST METER DESIGN

SMARTPHONE-LINK DISPLAY AUDIO

Go where you want, when you want. Discover new places and new entertainment. Smartphone-link Display Audio (SDA) helps you find such moments. The large 7-inch touch screen lets you intuitively operate music playback and calls with voice actions for a more enjoyable and safer drive.

USB Port

The port is conveniently located near the instrument panel, allowing easy access from both front seats.

Rear View Camera (GLS)

A live color image with parking guidelines helps prevent backing into objects or other hazards out of sight.

Works with Apple CarPlay

You can use a number of audio, messaging, voice calling, and 3rd party navigation apps from your iPhone with CarPlay.

- 1 Maps
- 2 Siri
- 3 Phone
- 4 Some supported 3rd party apps

Note: Apple CarPlay is a trademark of Apple Inc., registered in the U.S. and other countries. For more information: www.apple.com/ios/carplay/

androidauto

Use Google Maps via your 7-inch center display. Voice activation capabilities allow hands-free use. Conveniently use your favorite apps in your car.

- 1 Maps
- 2 Google Assistant
- 3 Phone
- 4 Apps

For more information: www.android.com/auto/

Note:

- Google, Android, Android Auto and other related marks are trademarks of Google LLC.
- iPhone, Siri and Apple CarPlay are trademarks of Apple Inc., registered in the U.S. and other countries.
- Android Auto requires the Android Auto app on Google Play and an Android compatible smartphone running Android™ 5.0 Lollipop or higher.
- Apple CarPlay requires an iPhone with iOS 8 or higher.
- Despite the expansion of supporting countries, Android Auto and Apple Carplay are NOT available in some markets. Please check the website for the latest information on availability.
 - Android Auto: <https://www.android.com/auto/#country-list>
 - Apple CarPlay: <https://www.apple.com/ios/feature-availability/#applecarplay>
- Android Auto and Apple CarPlay may not work under weak or no network condition even in supported areas.

- Customer is responsible for all communication fees. Also customer may be charged extra fees based on their contracted price plan by the telecom carriers.
- Customer may be requested to subscribe for roaming services by the telecom carriers when using in other countries.
- Not all smartphone Apps are compatible with Android Auto or Apple CarPlay. For safety reasons, only compatible apps are available in this Smartphone-link Display Audio.
- Some features or apps may not be available for all countries or all areas.
- The images used may not reflect latest updates.
- Please check this website to confirm smartphones compatibility with Smartphone-link Display Audio. <http://www.iopinfo-sda.mitsubishi-motors.com/cs/bt/index.php>
- It does not have navigation function in the SDA itself.

G4 SPACE

COMFORTABLE INTERIOR

ROOMY TRUNK

The inside of the new Mirage G4 impresses just as much as the outside. Deep understanding of your needs meets refined design for a comfortable ride where nothing gets left behind.

SAFETY

Driver and Passenger SRS Airbags

In the event of a collision, front SRS airbags activate to help protect you and the front passenger by absorbing the force of impact.

RISE Body

Collision safety performance is significantly enhanced by Mitsubishi Motors' RISE (Reinforced Impact Safety Evolution) body, which efficiently absorbs energy and maintains high cabin integrity in the event of a collision.

Pretensioners

Pretensioners automatically tighten the front seatbelts in the event of a collision to help restrain the driver and front passenger.

Anti-Lock Braking System [ABS] with Electronic Brakeforce Distribution [EBD] (GLS)

These systems work together to prevent tires from locking up and avoid collision during sudden braking on wet roads or in other conditions.

ABS ensures that the car remains responsive to your control when braking, while EBD distributes the force generated to all four wheels to shorten braking distance.

EXCITE YOUR SENSES RESPONSIBLY

Experience how both reliable performance and excellent fuel efficiency bring joy to every drive. Whether you're commuting to work, shopping in the city, or heading out of town, you'll enjoy sporty handling that is exceptionally stable, quick acceleration in response to your command, and agile maneuverability that makes parking and sharp turns a breeze.

1.2L MIVEC Engine

The fuel-efficient 1.2-liter 3-cylinder MIVEC* engine delivers an ample maximum output of 78 PS at 6,000 rpm and practical maximum torque of 100 N·m at 4,000 rpm.

* Mitsubishi Innovative Valve timing Electronic Control system

INVECS-III CVT

The INVECS-III* CVT wide-ratio transmission maintains optimal rpm for high performance and fuel economy. You'll enjoy smooth acceleration and deceleration, as well as efficiently selected gear ratios in all driving conditions. An illuminated indicator provides easy reading at a glance and the shift knob is leather-wrapped for your pleasure.

* Intelligent & Innovative Vehicle Electronic Control System III

ECO Mode Indicator

This indicator illuminates whenever you operate the accelerator pedal in an ecofriendly way. It encourages you to develop good driving habits that lower fuel costs and contribute to a cleaner environment for everyone.

Smooth Aerodynamic Design

The body is streamlined to slip smoothly through the air. Reduced drag lowers wind noise and CO2 emissions while raising fuel efficiency and high-speed stability.

Tight Turning Radius

This minimum turning radius is among the smallest in its class, contributing to excellent handling and making driving easy for anyone, at any age.

FEATURE HIGHLIGHTS

Height-adjustable Driver's Seat

Adjust the height of the driver's seat to suit your preference.

Automatic Climate Control (GLS)

Keyless Operation System [KOS] (GLS)

When carrying the key, you can press a button on the outside of the driver's side door or trunk to lock or unlock all the doors and trunk, and press the engine switch in the cockpit to start the engine.

Engine Push Start (GLS)

Key Fob (GLS)
