

NEW
MONTERO SPORT

Elevate Your Journey

MORE ADVANCED

From sophisticated safety technologies to keep you safe on your drive, to a dual-sensor power tailgate that was gently engineered for your convenience, this is advanced technology that takes you to the next level.

NEW POWER TAILGATE (GT 2WD)

The Power Tailgate with the Keyless Operation System allows you to access the rear cargo with ease. Operations include the following:

1. Hands-free access

Movement sensors are positioned at the corners of the rear bumper. This allows you to open and close the tailgate by placing your foot in front of the sensors in an up-down motion.

2. Close and lock function

The tailgate can be closed and locked automatically with the lock switch.

3. Height memory function

The tailgate opening height can be set based on your preference. When you have the tailgate set to your desired height, press and hold that button to stop on your desired position.

NEW 8-INCH COLOR LCD METER CLUSTER (GT 2WD)

A first for a Mitsubishi vehicle, the large 8-inch full LCD meter cluster is easy to read and enhances the prestigious and advanced look and feel of the cockpit. Choose from different display types depending on your preference or the information you'd like to see at a glance.

HILL START ASSIST [HSA] (GT 2WD/GLS)

Prevents the vehicle from rolling downward making hill starts easier by holding the brake force (for a maximum of 2 seconds) as the driver moves his foot to the accelerator. This system also functions when in reverse.

6 SRS AIRBAGS (GT 2WD)

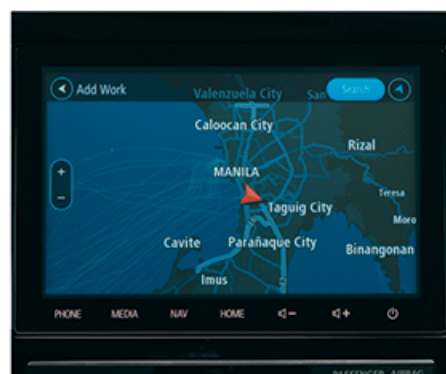

ELECTRONIC PARKING BRAKE [EPB] WITH BRAKE AUTO HOLD [BAH] (GT 2WD/GLS)

Enhances driving convenience and safety by automatically locking the parking brake when the shift lever is in "P" position, and releasing it when starting and shifting out of "P" position. It is also automatically activated when stopping for more than 10 minutes with the Brake Auto Hold function enabled.

GPS NAVIGATION (GT 2WD/GLS)

8-WAY POWER ADJUSTABLE SEAT (GT 2WD)

MORE TOUGH

From a bold new look, to the advanced suspension engineered for better comfort and increased off-road toughness, and a strong dependable engine that provides extraordinary driving performance, the New Montero Sport is designed to climb up, over, around and through the toughest terrain.

LARGE COMBINATION TURN SIGNAL AND FOG LAMPS

The fog lamps integrated with the large turn signal lamps offer a bolder look on the New Montero Sport.

A BOLD NEW DESIGN

The bold, refined, high-quality design, emphasized by robust and sophisticated lines delivers a commanding look from every angle.

NEW 2ND GENERATION DYNAMIC SHIELD CONCEPT FASCIA

The powerful evolution of the Dynamic Shield creates an impactful presence on the road.

POWERFUL & RELIABLE 2.4L MIVEC CLEAN DIESEL ENGINE (4N15)

The New Montero Sport is powered by a 2.4L In-line 4 DOHC 16-Valve Direct Injection Clean Diesel Engine with Variable Geometry Turbo (VGT) and Mitsubishi Innovative Valve timing Electronic Control (MIVEC). Optimum performance. Remarkable fuel economy. Reliability you can depend on.
- Maximum Power: 181 Ps @3,500 RPM
- Maximum Torque: 430 N-m @2,500 RPM

8-SPEED AUTOMATIC TRANSMISSION (GT 2WD/GLS)

The first in its class 8-speed automatic transmission with Sports Mode is designed to maximize fuel efficiency and engine power. Sports Mode lets driving enthusiasts use the magnesium alloy paddle shifters as a manual override.

NEW 18-INCH ALLOY WHEELS

The aluminum wheels with machine cut silver and glossy deep grey design deliver a sharp and powerful look.

GT 2WD

GLS/GLX

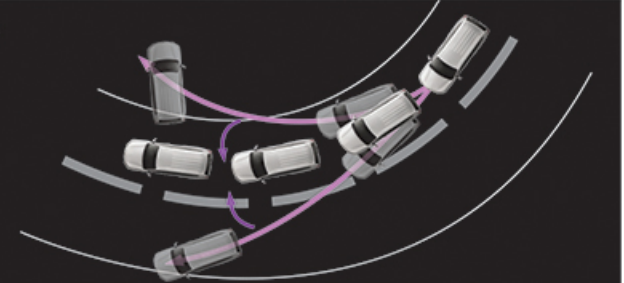

NEW LED REAR COMBINATION LAMPS (GT 2WD/GLS)

The LED rear combination lamps further accentuate the New Montero Sport's width while increasing visibility for enhanced safety.

MITSUBISHI ACTIVE STABILITY AND TRACTION CONTROL [M-ASTC] (GT 2WD/GLS)

Maintains vehicle stability and optimizes traction to prevent wheels from skidding during adverse conditions and emergency maneuvers by applying brake force to one or more wheels and adjusting the engine output.

MORE LUXURY

Treat yourself to the luxury you deserve. From elegant leather seats with dual layered cushioning and relaxing spaciousness, to a Smartphone-link Display Audio that can also be linked to the pop-up screen of the 8-inch LCD instrument cluster, to small details such as flat accent grips, the cabin will awe everybody on board.

ROBUST AND HIGH-QUALITY INTERIOR

A luxuriously advanced design that focuses on driving comfort, roominess and intelligent and intuitive operation.

NEW SMARTPHONE-LINK DISPLAY MULTIMEDIA ENTERTAINMENT SYSTEM (GT 2WD/GLS)

This updated infotainment feature is easier to see with its 8-inch display screen. Stay entertained by playing videos stored in any USB stick conveniently on your screen. With Apple CarPlay and Android Auto compatibility, you can enjoy an overall more user-friendly driving experience. Smartphone-link Display Audio (SDA) can also be linked to the pop-up screen of the 8-inch LCD instrument cluster.

DUAL ZONE AUTOMATIC CLIMATE CONTROL SYSTEM (GT 2WD/GLS)

Nothing beats being cool and this A/C system lets you program different temperatures for the driver and the front passenger.

ELEGANT HIGH CENTER CONSOLE DESIGN

220V AC POWER OUTLET WITH USB PORT (GT 2WD/GLS)

SOFT-PADDED FRONT CONSOLE GARNISH
